OBOE SERIES 1 Launch and Workshop

You are invited to join us for an informative and interactive workshop on AMEB's new oboe syllabus and very first series of oboe grade books. Syllabus Consultant Stephanie Nicholls will guide you through the repertoire and technical work components of the new syllabus and the resources that AMEB has produced to support it. She will be joined by Joshua de Graaf to perform several works from the syllabus.

The event is suitable for oboe teachers (professional development) and students alike.
